

FOURTH MEETING OF CHEIRON: THE INTERNATIONAL SOCIETY FOR
THE HISTORY OF THE BEHAVIORAL AND SOCIAL SCIENCES.

June 27, 28, 29 & 30, 1972

The University of Calgary, Calgary, Alberta, Canada.

TENTATIVE PROGRAM

INFORMATION SHEET

A final, printed program will be available to registrants at the time of the meetings. No substantial changes are anticipated.

Registrants may be housed on The University of Calgary campus, in one of the university's dormitories. A room reservation form is included in this program. Motel and hotel accommodation close to the campus is also available. Reservations in hotels and motels should be made directly to the units involved. A list of units located close to the university's campus is included.

Camping facilities are available within the city limits.

Normal daytime temperatures in Calgary at the end of June would be in the middle to high 70's. Because of Calgary's elevation, evenings will probably be cool (in the 50's). If you will be making a holiday of the trip and plan to stay in the Rocky Mountains, plan on very cool evenings.

If you plan to remain in the area for the Calgary Stampede (July 6 - July 15) you would be well advised to make room reservations in advance.

All registrants will receive dinners for the four days of the meetings and luncheon on June 29 without additional charge.
